Dear Mrs. Ende,

Greetings from Canisius High School! I hope this letter finds you well.

On Saturday, March 6th, 2010, Canisius High School will hold its annual **Practice Entrance Examination for 7th grade boys**. This event is designed to provide boys with the opportunity to take an entrance exam under actual testing circumstances, similar to the test they will take in the fall of their 8th grade year.

I would like to extend an invitation for your boys to take this practice exam. Taking the practice exam allows students to become familiar with the format of the test in a non-intimidating fashion. While actual testing parameters are followed, the results are merely informational and are not factored into any application submitted during the 8th grade. This experience allows the boys to see areas of strength and areas that may need work, and most importantly allows them to become more comfortable with the format of the entrance exam.

All of your 7th grade boys are most welcome. All I ask is that they call 882-0466, x204 in advance to reserve a spot. Please feel free to make copies of the enclosed flyer.

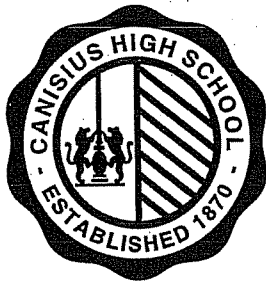

The schedule for the day is as follows:

- Check-in beginning at 8:45am
- Practice exam beginning at 9:00am
- Students are finished by noon

There is no fee, and a snack will be provided. The boys should dress comfortably, and bring two #2 pencils. Please feel free to contact me with any questions or concerns. Best of luck with the remainder of your school year!
