

Dear Parents,

Believe it or not Fish Fry time is just around the corner! In preparation for this annual event we need to begin scheduling workers. Using the attached sign-up sheet found below, please indicate when you are able to work by circling the date(s) you are available. Please, return this slip as soon as possible!

At home we need volunteers to make potato salad. We provide our famous recipe. You just drop off the finished product at school on Friday.

On Thursday evenings we need workers to inventory food shipments, unpack supplies, and prepare assorted "day-before" food items. This includes such things as slicing lemons, filling tartar sauce and ketchup containers, etc..

On Friday afternoons we need helpers to set tables, prepare cole slaw, hang signs, and an assortment of other pre-dinner activities.

Friday evenings is when we need the majority of our workers. In the main dining area we need waitresses, cashiers, hostesses and bartenders. In the kitchen we need fish dippers, fryers, food preparers and servers. In the Pre-K room we need babysitters to watch the children of our volunteer Fish Fry workers.

And most importantly, on **Friday evenings, starting around 7:30 pm**, we need workers to clean up. This is where we can use all the muscle we can muster up to take down tables, stack chairs, wash dishes, and in general return the kitchen to its original condition!

The bottom line is there's a job for everyone!!! And working a Fish Fry is FUN! It's an opportunity to meet new people, laugh with old friends and do something positive for the school. Your children are welcome to join you if you are working a Thursday night, Friday afternoon or Friday clean-up. However, for Friday evenings during the dinner hour we provide babysitting in the Pre-K room.

If you have a question or a suggestion, please don't hesitate to call.
