Dear Parent(s)/Guardians,

On Class Night, you and your child will have an opportunity to take a few moments to read letters you have written to each other, sharing your feelings for each other.

Your child has been asked to write a letter to you explaining the feelings they have for you. "Your assignment" is to write a letter to your child explaining your feelings towards them. It is often easier to say these things in writing than face to face. So here's your opportunity. Remember, this letter should be a positive one.

I would like to have your letters placed in an envelope with your child's first name (Alex K and Alex L. will need a last name) on it by Friday, June 4. I will hand them out at Class Night.

It is important, though, that every child has a letter to read that night.

Thank you,

Mrs. Buchholz
