Saint Stephen's Beekeepers Club Parent/Legal Guardian Permission Slip 2023-2024

Dear Parent/Legal Guardian

As our new school year starts, it's time to start winding down our current season of beekeeping. We were very fortunate this year and were the recipients of a grant that will allow us to expand our beekeeping program. We'll need to ensure that our equipment is ready to go, and we have lessons we need to learn before we get started when spring arrives. Not to be forgotten is getting our two beehives ready for the long winter ahead.

Your student is eligible to participate in the St. Stephen's Beekeepers Club sponsored by St Stephen's R.C. Church. Mr. Kenline will provide the guidance and supervision for the students in the Beekeepers Club. During the year, the Beekeepers' Club will meet Wednesday afternoon each week from 3:30 p.m. to 4:30 p.m. in the Science Lab to learn about the basics of beekeeping, and to become familiar with honeybees and what they need to survive. We'll also be taking care of equipment and getting everything ready for next spring. A lot will depend on the weather when it comes to working with the bees, but we'll deal with those challenges as they arise. One thing you need to know is that beekeeping is not something that runs on a timetable or a set of instructions, a lot of it is "beeing" flexible.

If your child is interested in participating in the club, please complete the statement of consent and release from liability and medical release information at the bottom of this letter. As a parent, legal guardian, you remain fully responsible for any legal responsibility that may result from actions taken by your student.

Liability Release

I/We recognize and acknowledge there are risks in my child's presence and participation in the above mentioned club. I agree to indemnify, hold harmless, waive and relinquish all claims I may have against St. Stephen's R.C. Church and the Diocese of Buffalo including any negligence claims on their part and its officers, agents, employees, representatives or volunteers arising out of the transportation to and/or from the club meetings, or in connection with any claims arising out of or caused by any activity my child participates in during club activities.

Medical Release

Our permission is hereby given to the representative of S. Stephen's R.C. Church to authorize by his/her signature, whatever medical or surgical treatment may be necessary in the event of an accident or medical emergency in which the parent or guardian cannot be reached. It is understood that every attempt to reach the parent or guardian will be made. If the physician below cannot respond, I authorize any licensed physician or medical center to treat the participant designated below.
